2. Students who have not paid their Semester 1 Fees by the end of Term 1 will not be allowed to continue. Please contact us if you have difficulty paying.
3. The HHHS P&C engages tutors to provide ensemble classes to students of HHHS. Music and Dance is an optional extra-curricular activity at HHHS provided by and administered by the P&C. Students undertaking these programs will need to pay fees to cover the costs associated with providing the programs. These fees are in addition to other fees charged by the school and other contributions paid to the P&C.
4. Fees are charged each semester (two invoices per year) and are payable within 14 days of the date of invoice, late fees will apply for payments not made within this time frame. Failure to pay the fees due may risk exclusion from the music or dance programs.
5. A commitment of regular attendance at classes by all students is required to maintain continuity consistent with the group nature of the music or dance program. The P&C has a no refund policy for missed classes. A minimum of 80% attendance to classes is required to retain a spot in the ensembles.
6. Uncooperative and disruptive behaviour will not be tolerated and may risk exclusion from the program.
7. Please note that dance is a physical activity and a degree of contact between tutor and student may be required for either demonstration or correction.
8. Students need to guarantee their fitness to participate in dancing activities and should notify the teacher or dance director of any changes to their personal fitness to participate.

9. Dancing is a strenuous activity from which injuries could arise. The school, P&C and its tutors are not liable for personal injuries, loss of or damage to personal property.
